

BIG LEAGUE SPONSOR

PLATINUM PACKAGE VALUE \$1,500

Your investment in the East Torrens Baseball Club program means that you will be able to target a unique audience and greater expose your brand. The East Torrens Baseball Club was formed in 1923 and is currently one of the largest baseball clubs in South Australia. Located in Felixstow, we are a proud club consistently fielding teams in all junior & senior grades within the South Australia Baseball League. On average over a 1000 people a week will view and be exposed to your brand from local and visiting teams, players, members and spectators.

Our sponsors enable us to continue to develop grass roots baseball and allow children to enjoy sport and activity in a fun, skills based, supportive environment. Building these junior foundations for the future allow us to continue to offer a range of sporting services to the wider community, from juniors all the way through to senior levels. East Torrens has been home to many Senior and Junior Australian Representatives, including Olympians and Professional Baseball Players including those at the Major League level. A number of club greats are also in the Australian Baseball Hall of Fame. This great tradition is set to continue and we would love your business to be part of East Torrens Baseball Club.

We would like to take this opportunity to thank and welcome you and your company on-board.
