**PACKAGE VALUE \$1000.00**

Your investment in the East Torrens Baseball Club means that you will be able to target a diverse audience and increase exposure to your brand. The East Torrens Baseball Club was formed in 1923 and is currently one of the largest baseball clubs in South Australia. Located in Felixstow, East Torrens has been deeply rooted in the local community for 100 years and as club consistently demonstrates excellence both on and off the field, fostering a love for baseball, community, and family, instilling important values in its members, players, and supporters. We are a proud club consistently fielding teams in all junior & senior grades and continue to offer opportunities for all ages, genders, and abilities from the community to participate in this wonderful sport. On average over 1000 people a week will view and be exposed to your brand from local and visiting teams, players, members, and spectators.

Our sponsors enable us to continue to develop grass roots baseball and allow children to enjoy sport and activity in a fun, skills based, supportive environment. The East Torrens Baseball Club is a central hub for families and sports enthusiasts in the area and continues to build foundations for the future to allow us to continue to offer a diverse range of sporting services to the wider community. East Torrens continues to home to many Senior and Junior Australian Representatives, including Olympians and Professional Baseball Players including those at the Major League level. Several club greats are also in the Australian Baseball Hall of Fame. This great tradition is set to continue for another 100 years, and we would love your business to be part of the East Torrens Baseball Club.

We would like to take this opportunity to thank and welcome you and your company on board.
